WELCOME ADDRESS

Message from our Chairman

Rajasthan Technical University is dedicated to fostering innovation and nurturing the talents of its students to prepare them for the challenges of the modern world. In pursuit of this vision, we are pleased to extend an invitation to your esteemed organization to collaborate with us in providing Internship and Training opportunities to our second and third year students.

We invite you to provide our students with valuable Internship and Training opportunities at you esteemed organization. By collaborating with us,
you get access to a pool of talented and motivated students ready to contribute to your success, while also benefiting from fresh perspectives and innovative ideas.Engage with our academic community to build long-term partnerships for mutual growth and innovation, and showcase your company as a preferred employer among top-tier technical talent in Rajasthan.

We believe that by joining hands, we can create a win-win situation where students gain valuable industry exposure, and your organization benefits from fresh perspectives and talent. Together, let's shape the future of technology and innovation.

Warm regards,
Dr. Manish Chaturvedi
Chairman
Innovation and Incubation Cell (IIC)
Rajasthan Technical University (RTU)

ABOUT RTU

Rajasthan Technical University Kota, is one of the premier engineering universities of Rajasthan. With affiliations extending to over 200 colleges throughout Rajasthan, RTU educates a substantial student body of more than 150,000 individuals. Offering a wide range of courses, including engineering and MBA programs, the university is committed to achieving academic excellence in engineering. This commitment is realized through the provision of comprehensive knowledge to students, fostering research activities, and aligning with the evolving demands of industry, global trends ,and societal needs.

ABOUT IIC

IIC
INNOVATION AND INCUBATION CELL

The Innovation and Incubation Cell (IIC) at Rajasthan Technical University Kota is dedicated to cultivating an entrepreneurial mindset among students and fostering creativity and development. With a remarkable track record of 37+ successful startups, our mission is clear: to empower the next generation of innovators. Join us as we shape the future of entrepreneurship at RTU Kota and beyond.
